*“At Angsana Velavaru, you will wake up to the adventures of a tropical island. Angsana Velavaru brings out the intrepid traveller in you.”*

An aerial photograph of a tropical island. The island is surrounded by a shallow lagoon with clear, turquoise water. On the right side of the lagoon, there is a long row of overwater villas. On the left side, there is a small, sandy beach with several palm trees and a few buildings. The water transitions from light blue near the shore to a deeper blue further out. The overall scene is serene and picturesque.
